

Worksheet for the class scenario

A meeting with a story – discover the museum.

Task 1

Match the heroes of the *Chaos at the Storeroom* fairy tale with their function and the works they were performing at the museum.

Darek	guide	care of the museum's collection, including description of exhibits
Zosia	custodian	giving inventory numbers to objects, ordering of documents
Staszek	monument conservator	keeping of order, protection of the building against theft
Halinka	archivist	sale of tickets, albums, souvenirs
Bazyli	caretaker	preservation and renovation of museum items
Ania	cashier	guiding of tours

Only one character in the story had no name. Do you know who this person was?

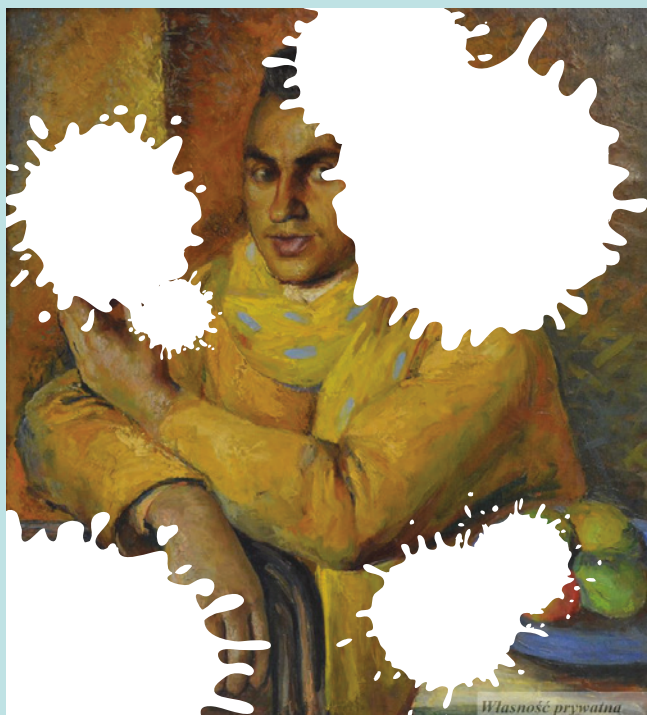

Task 2

Do you know the parts of a painting? Solve the rebuses below and you will know the answer.

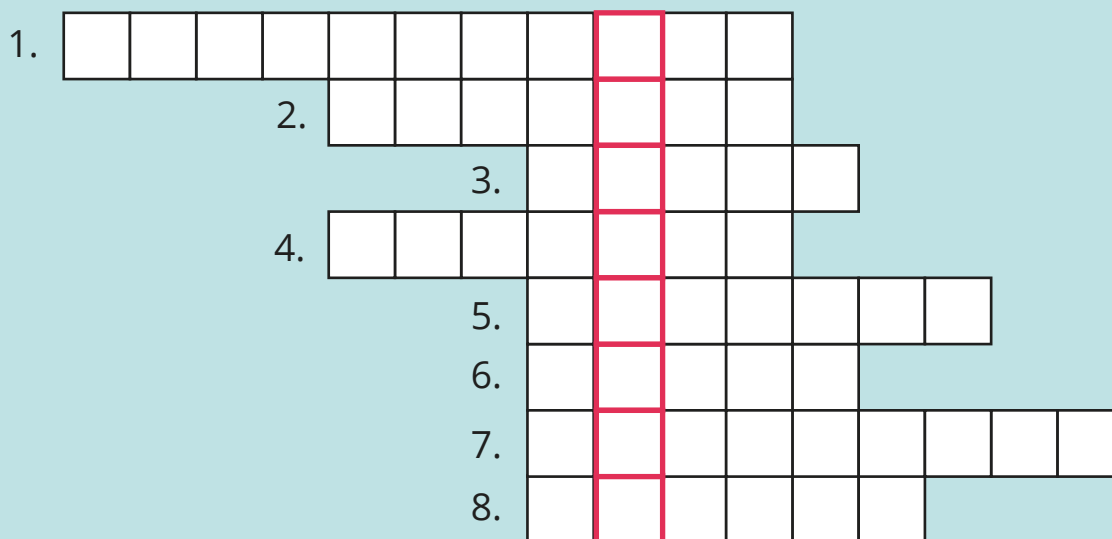

Task 3

Below, you can see parts of one painting from the Alfons Karny collection. Think how the whole painting can possibly look like. Fill in the empty spaces.

Task 4

Solve the crossword and you will find what topic appears most often among the paintings from the Alfons Karny collection.

1. A writing tool filled with ink.
2. A field of science that studies the past.
3. Used for painting.
4. A painter uses it to mix paints when creating a picture.
5. A composition of lines on a sheet, you need pencils or crayons to make it.
6. The material of which books and notebooks are made.
7. The artist's name written on the painting.
8. Sculpting tool the name of which is connected with the word "style".
