

Worksheet for the class scenario

Flag Day – we learn our national symbols.

Task 1

The Squirrel did not know what colours should be on the Polish flag. Do you already know this? Colour the picture, remembering that the flag should have the correct colours.

Task 2

Do you know that not only countries have their own flags? Below, you can see the flags of the Podlasie Province and the city of Białystok. Colour them according to the code and you will discover what their colours are.

Podlasie Province flag

city of Białystok flag

Task 3

The national emblem (coat of arms) of Poland is the image of a white eagle with a golden crown, talons and beak, placed in a red shield. Use the template and create this symbol on your own. Try not to use crayons or pencils! For this work, you will need: red plasticine, white blotting paper, scissors, glue, paintbrush, a cup of water, golden or yellow paint.
